JANICE K. BREWER, GOVERNOR
WILL HUMBLE, DIRECTOR

TO: PERSONS INTERESTED IN CHILD CARE LICENSING

FROM: OFFICE OF CHILD CARE LICENSING, ADHS

Thank you for your inquiry regarding information about the Office of Child Care Licensing (OCCL) and requirements for operating a child care facility in the state of Arizona.

As defined by state law, child care means "the care, supervision and guidance of a child or children, unaccompanied by parent, guardian or custodian, on a regular basis, for periods of less than twenty-four hours per day, in a place other than the child's or the children's own home or homes."

A child care facility is any facility in which child care is regularly provided for compensation for five or more children.

OCCL was established to ensure the health, safety and well-being of children in child care facilities. As such, OCCL is responsible for the development of adequate standards to address the physical space, equipment, programs and services, as well as the good character of all applicants and facility personnel.

A Child Care Licensing Surveyor is assigned to each facility to monitor compliance with departmental rules and regulations. All facilities licensed by the Department of Health Services are visited on a periodic basis, with at least one unannounced visit made annually. Further, a standard evaluation instrument is utilized by the Licensing Surveyor to determine compliance, as well as to ensure an equitable, consistent method of assessing licensed child care facilities.

OCCL is responsible for providing technical assistance, training of staff and investigating complaints for licensed and unlicensed activities.

Regional offices have been established in Flagstaff and Tucson with assigned surveyors available throughout the state. Files containing compliance evaluation reports, complaint reports, sanitation, fire safety and staffing reports are maintained in each office and are accessible to the public.

A surveyor is available Monday through Friday, from 8 a.m. until 5 p.m. to respond to inquiries and take complaints regarding alleged violations of state laws and/or child care rules. All complaints are investigated and the information is placed in the public file.

If you are interested in pursuing the licensing of a facility to provide child care, log on to <http://www.azdhs.gov/als/childcare/> and download the **Child Care Center Initial License Application Packet** or the **Public School Building (age 3-14) Initial License Application Packet**. You may contact the Phoenix Office, (602) 364-2539, Tucson Office, (520) 628-6541 or Flagstaff Office, (928) 774-2707 for additional information.

Thank you for your interest in the well-being of Arizona's most valuable resource - children.

Arizona Department of Health Service's Rule R9-5-201(A)(5)(e) requires that the initial applicant for licensing a center submit documentation of completion of the Department's training for new owners (or agents) of child care centers prior to licensing.

This session will assist you in meeting the licensing requirements through step-by-step instructions and a review of the regulations. Information about available resources will be given to help you become a successful licensed child care provider.

Trainings will be conducted at three locations in the state. Please complete the information below and return the form to the office location indicated. CALL AT LEAST TWO WEEKS PRIOR TO THE SESSION TO CONFIRM YOUR REGISTRATION - the sessions can fill quickly so you may not be registered for the session you request. Contact the Tucson Office for trainings offered in Yuma.

Thank you for your continued interest.
