

“Trauma Day In Sonoita”

A day of *thinking* and discussing trauma, along with some hands-on skills practice

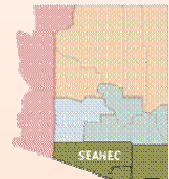

March 26, 2010
Sonoita-Elgin Fire Dept. in Sonoita

\$10.00 covers lunch & breaks (payable to “SATNET”)

Contact Carmen Martinez to register:
cmartinez3@umcaz.edu, or **520-694-4806**

This trauma education opportunity is being co-sponsored by
Sonoita Elgin Fire Department
SATNET
UMC Trauma
SE Arizona Health Education Center (SEAHEC)

- 9:00-9:30 Motorcycle and ATV Crashes — Dr. Terence O’Keeffe
- Brief overview of epidemiology of MC and ATV injury: the current “epidemic”
 - Using mechanism-of-injury to predict injury types and patterns
 - Case study, discussion & critical thinking
- 9:30-10:00 Video Trauma Case Scenarios — Dan Judkins & Dr. Terence O’Keeffe
- Video cases, each presenting a problem & requiring decision-making, critical thinking, and discussion
- 10:00-1015
1015-1115 Break
Rural Trauma Scenarios: — Mary Ann Matter
- Small groups review scenario & make an assessment/treatment/transport action plan
Small group leader presents action plan to entire group for discussion & questions. They will work on their case for 5 minutes or so, then present their assessment and action plan in the form of an “ambulance radio report” to the trauma surgeon who is present, and who may ask them questions or provide specific treatment orders.
- 11:15-12:00 Lunch
12:00-14:00 Trauma Skill Stations: (4 small groups rotate, 25 minutes each) (entire faculty)
- Pelvis fractures and pelvic binder – polishing skills & finding best techniques
 - 3 trauma cases – assessment and action on moulaged trauma patients
- 14:00-14:15 Break
14:15-14:45 Trauma Multi-Casualty Management — The SEFD Team
- Recent lessons learned
 - Best practices
 - Where do we go from here on MCI preparedness?
- 14:45-15:15 Critical Thinking and Decision-Making in Rural Trauma Care
15:15-15:30 Questions, Ideas, & Wrap-Up

There will be ample opportunity for critical thinking, discussion, & questions.

Prehospital continuing education credit is being provided by SEAHEC

Register early, as there will be an enrollment cap.
