Who We Are

The Office of Individual and Family Affairs (OIFA) builds partnerships with individuals, families, youth, communities, organizations and key stakeholders to promote recovery, resiliency and wellness. Activities include:

- Advocating for the development of environments that are supportive and welcoming to individuals, youth and families.
- Removing barriers to inclusion and resolve issues impacting statewide behavioral health service delivery.
- Establishing structures and mechanisms necessary to increase the youth, adult and family voice in areas of leadership and service delivery throughout Arizona.
- Developing training, technical assistance and instructional materials for persons and their families served through the behavioral health system.
- Ensuring parent and peer support programs and self-help initiatives are available to all persons receiving services and their families in Arizona.
- Monitoring contractor and Tribal/Regional Behavioral Health Authority (T/RBHA) compliance.
- Informing key leadership on relevant issues.

Stigma Reduction & Community Outreach Presentations & Dialogues

Arizona Dialogue
Diverse groups of people are guided through an in-depth discussion of their feelings and perspectives on topics related to behavioral health and stigma. This creates opportunities for people to share experiences and explore ideas in an environment. The dialogues encourages greater understanding of one another and other important issues including the Trauma Informed Care philosophy.

Speakers’ Bureau Presentations
