

**REHABILITATION & SUPPORT SERVICES CROSSWALK  
ADHS/DBHS COVERED SERVICES GUIDE**

Rehabilitation services include the provision of education, coaching, training, demonstration and other services including securing and maintaining employment to remediate residual or prevent anticipated functional deficits. Support services are provided to facilitate the delivery of or enhance the benefit received from other behavioral health services.

*\*Please note that the scenarios included in each section below are examples and may not be allowable in every situation. All services must be documented to reflect how they relate back to the individual's service plan and how it assists them in reaching their recovery goal(s).*
