Let's Talk
*State Budget &
Community Resources!*

Maricopa County

The *Office of Individual & Family Affairs* is hosting a *Let's Talk* forum in your neighborhood! We're bringing members of the *behavioral health executive team* with us to talk about how the legislative reductions to the state budget will affect services in Arizona's child *and* adult behavioral health systems.

Let's Talk is for persons receiving behavioral health services through Magellan's child and adult systems, their family members and community advocates/members.

Because this is a *special* Let's Talk forum, RBHA and provider staff are also encouraged to attend...Please bring a peer/family member with you.
