

# Let's Talk!

Maricopa County

The *Office of Individual & Family Affairs* is hosting a *Let's Talk* forum in your neighborhood! We're bringing members of the state's behavioral health executive team with us so we can all talk about recovery successes and challenges in your area, exchange ideas to continue to improve Arizona's child and adult behavioral health systems and to share the state's vision and goals.

*Let's Talk* is for persons receiving behavioral health services through Magellan's child and adult systems, their family members and community advocates/members.

**Peer Support Specialists, Recovery Specialists, Family Support Partners, Parent Partners, Family Mentors, Coaches, Peer Mentors, are also encouraged to attend...and to bring an individual or family member with them.**
