MS in Disaster Preparedness
& Crisis Management

D4SK
Emergency Preparedness

- In 1969 while taking a friend to the hospital, an impaired driver drove the wrong direction on I-5 in Portland, Ore.
- The family took care of him
- No Social services
- 1984 received his first power chair
- Lived for 32 years, passed away 2001
- One of his greatest fears was our house catching fire

No member in our community should live in fear

Individuals and Families with Functional Needs

Emergency and Disaster Preparedness Guidebook

Name _____

Emergency Preparedness

Local 5050

5 Steps to Preparedness

1. Being Informed of an Emergency/Disaster
