# MYTEP Priorities/Gap Assessment AAR Analysis

Antonio Hernandez, Section Chief  
Partner Integration  
ADHS

*Health and Wellness for all Arizonans*

## Overview ADHS MYTEP Priorities

- Background
- Region Snap Shot - 2016-2017
- Statewide Summary

*Health and Wellness for all Arizonans*

# Background

- Domains
- FEMA/CDC/ASPR - Crosswalk
- Gap Based
- Resource for Collaboration

Health and Wellness for all Arizonans

## Priority 1: Incident Management

Ensure that personnel are able to conduct emergency operations and establish a standardized, scalable system consistent with state and local practices and the National Incident Management System.

2016-2017 Arizona Training & Exercise Priorities			
T & E Priorities	PHEP/HPP Cap. #	PHEP Capabilities	HPP Capabilities
Priority 1 (P1) Incident Management	3	Emergency Operations Coordination	Emergency Operations Coordination

Health and Wellness for all Arizonans

**Priority 2: Community Resiliency**

Promote the development of public health, medical and mental/behavioral health systems that support emergency response and recovery efforts.

2016-2017 Arizona Training & Exercise Priorities			
T & E Priorities	PHEP/HPP Cap. #	PHEP Capabilities	HPP Capabilities
Priority 2 (P2) Community Resilience	1	Community Preparedness	Healthcare System Preparedness
	2	Community Recovery	Healthcare System Recovery

*Health and Wellness for all Arizonans*

**Priority 3: Surge Management**

Ensure that staff is trained and systems are in place to manage public health and healthcare surge capabilities for all hazards responses including Fatality Management, Mass Care, Medical Surge, and Volunteer Management.

2016-2017 Arizona Training & Exercise Priorities			
T & E Priorities	PHEP/HPP Cap. #	PHEP Capabilities	HPP Capabilities
Priority 3 (P3) Surge Management	5	Fatality Management	Fatality Management
	7	Mass Care	
	10	Medical Surge	Medical Surge
	15	Volunteer Management	Volunteer Management

*Health and Wellness for all Arizonans*

**Priority 4: Information Management**

Ensure that staff is trained and systems are in place to develop, coordinate, and disseminate information to the public and share situational awareness data with response partners.

2016-2017 Arizona Training & Exercise Priorities			
T & E Priorities	PHEP/HPP Cap. #	PHEP Capabilities	HPP Capabilities
Priority 4 (P4) Information Management	4	Emergency Public Information & Warning	
	6	Information Sharing	Information Sharing

*Health and Wellness for all Arizonans*

**Priority 5: Countermeasures & Mitigation**

Ensure systems and processes are in place and staff is trained and to conduct community mitigation activities (e.g. non-pharmaceutical intervention, responder safety and health), and to support the delivery of medical countermeasures and materiel during disasters.

2016-2017 Arizona Training & Exercise Priorities			
T & E Priorities	PHEP/HPP Cap. #	PHEP Capabilities	HPP Capabilities
Priority 5 (P5) Countermeasures & Mitigation	8	Medical Countermeasure Dispensing	
	9	Medical Materiel Management & Distribution	
	11	Non-Pharmaceutical Intervention	
	14	Responder Safety & Health	Responder Safety & Health

*Health and Wellness for all Arizonans*

**Priority 6: Biosurveillance**

Strengthen public health laboratory, surveillance, and epidemiological investigation capabilities, so that these systems and processes can support statewide, all-hazards responses.

2016-2017 Arizona Training & Exercise Priorities			
T & E Priorities	PHEP/HPP Cap. #	PHEP Capabilities	HPP Capabilities
Priority 6 (P6) Bio Surveillance	12	Public Health Lab Testing	
	13	Public Health Surveillance & Epidemiological Investigation	

Health and Wellness for all Arizonans

**Priority 4: Information Management**

Ensure that staff is trained and systems are in place to develop, coordinate, and disseminate information to the public and share situational awareness data with response partners.

2016-2017 Arizona Training & Exercise Priorities			
T & E Priorities	PHEP/HPP Cap. #	PHEP Capabilities	HPP Capabilities
Priority 4 (P4) Information Management	4	Emergency Public Information & Warning	
	6	Information Sharing	Information Sharing

**Corresponding Public Health Preparedness Capabilities:**

- Emergency Public Information and Warning
- Information Sharing

**Corresponding Healthcare Preparedness Capabilities:**

- Information Sharing

**Corresponding FEMA Core Capabilities:**

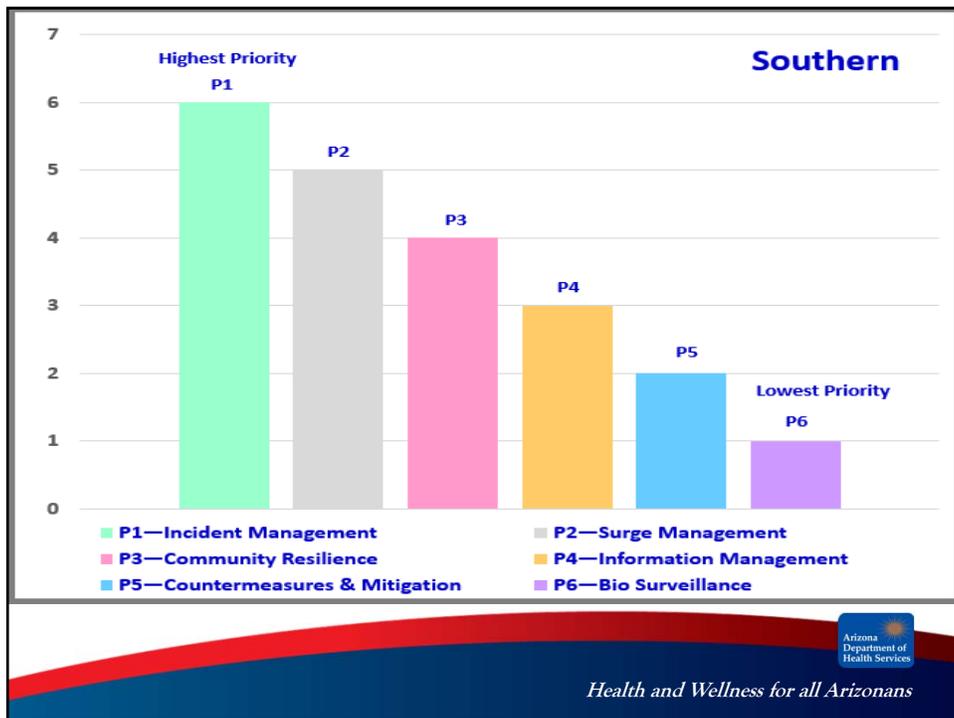

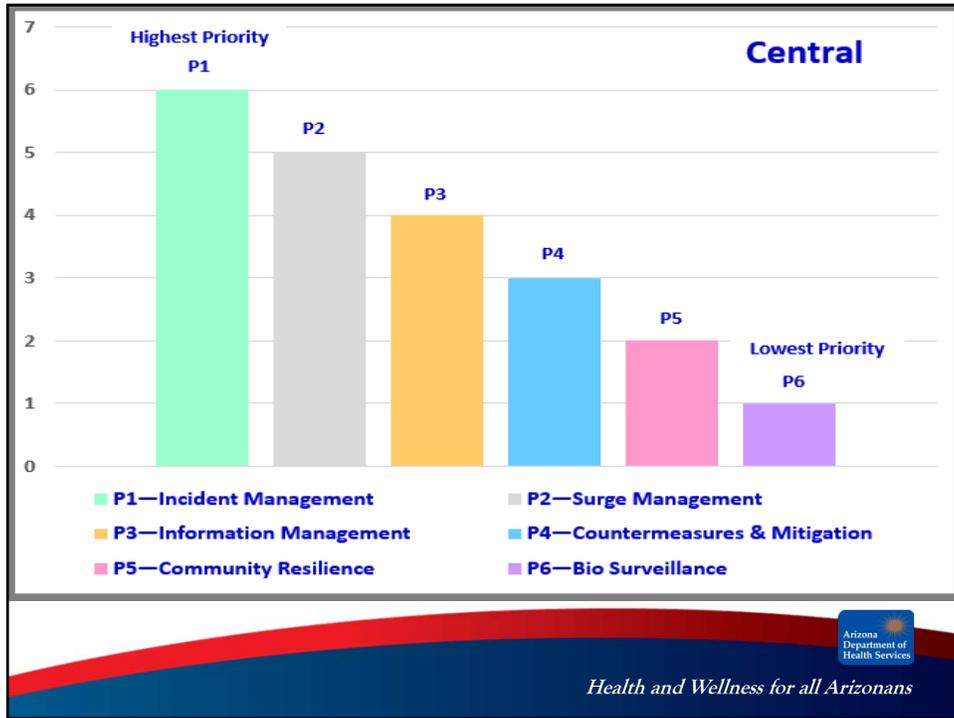

- Intelligence and Information Sharing
- Operational Communications
- Public Health and Medical Services
- Public Information and Warning

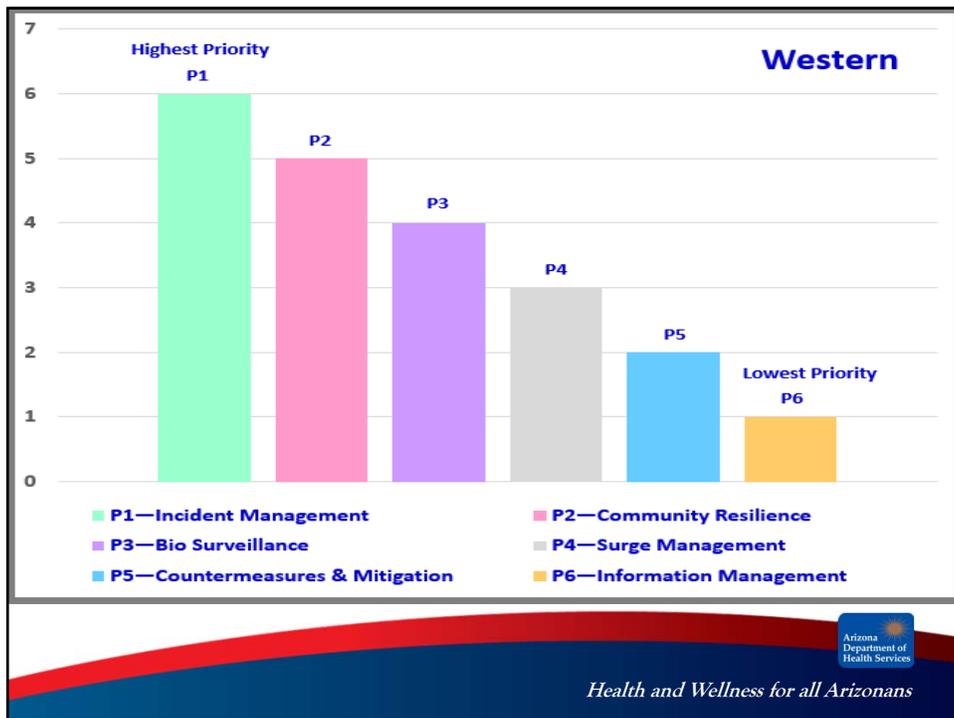

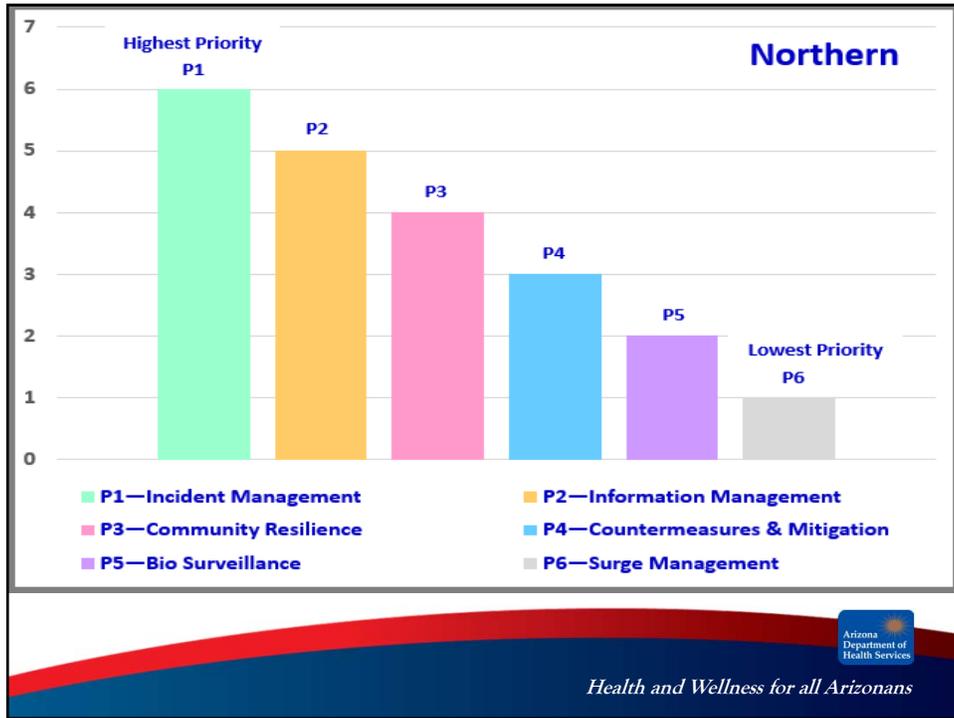

**Supporting Training Courses and Exercises:**

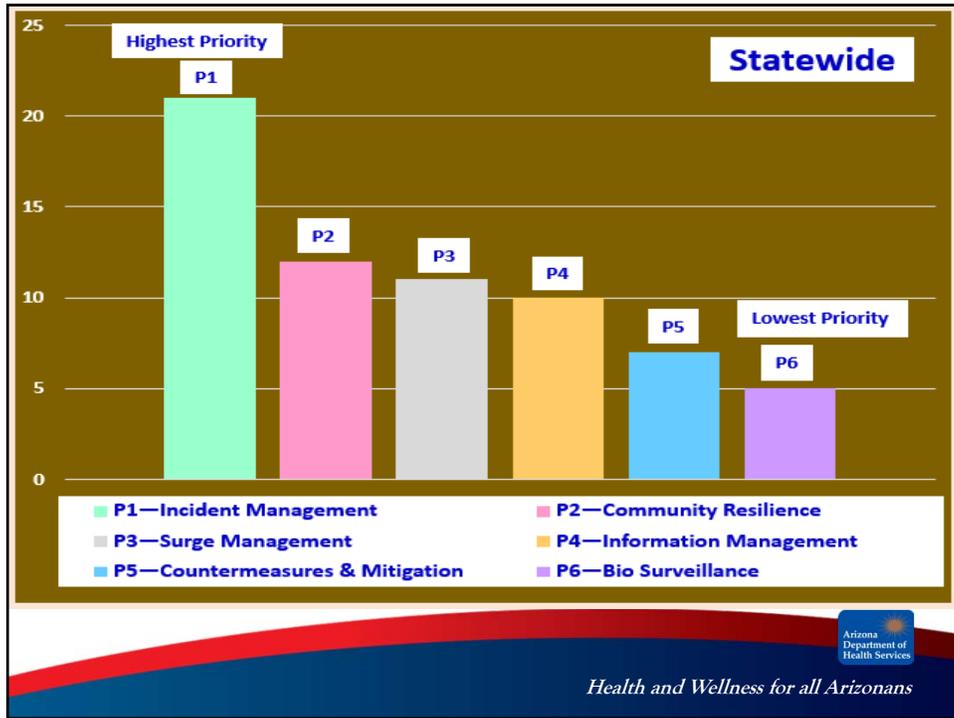

- AZ PHEP & HPP Joint Tabletop Exercises (annual)
- AZ PHEP & HPP Joint Operational Exercises (annual)
- AzHAN (Arizona Health Alert Network)
- HAvBED drills
- Communication drills
- NIMS
- HEOC
- MEDSIS
- WEBEOC
- HSP

# ADHS BP5 Exercise Forecast

## 2016 AZID Training and Tabletop Exercise

- Vaccine preventable diseases
- Healthcare associated infections
- Tuberculosis and sexually transmitted diseases
- Vector-borne and zoonotic diseases
- Food-borne diseases
- Tribal investigations
- Information on outbreaks and investigations

**Tabletop July 26, 2016:** Will be posted at a later date - Registration starts at 8am

**Training July 27-28, 2016:** Will be posted at a later date - Registration starts at 7am

*Health and Wellness for all Arizonans*

## ADHS BP5 Exercise Forecast

### Patient Movement Exercise

Possible PHEP/HPP Capabilities include:

- Patient tracking
- Mass Care/Medical Surge
- Resource Request

**October 26, 2016** – Additional information to follow

*Health and Wellness for all Arizonans*

## ADHS BP5 Exercise Forecast

### CBRNE/Active Shooter Workshop/Tabletop Exercise

Possible PHEP/HPP Capabilities include:

- Mass Care/Medical Surge
- Health System Preparedness
- Family Reunification

**November 2, 2016**

*Health and Wellness for all Arizonans*

## ADHS BP5 Exercise Forecast

### Annual Events:

- ADHS All Partners Meeting – 2/8/17
- Training and Exercise Planning Workshop - 3/8/17
- Annual ADHS/DEMA Tribal Summit – 5/17/17

Health and Wellness for all Arizonans

## DEMA Exercise Forecast

- » **Statewide Earthquake Recovery/Mitigation Tabletop (TTX)**
- » June 15, 2016 9:00 A.M.-4:00 P.M.
- » Allen Readiness Center, Papago Park Military Reservation
- » Core Capabilities: Housing, Health and Social Services, Infrastructure Systems

**\*\*Participation in the November 4, 2015 statewide exercise is not required to attend this TTX\*\***

Ready, Responsive, Reliable

24

## DEMA Exercise Forecast

- » **November 2016 Vigilant Guard Exercise**
- » Earthquakes occurring in California and Nevada
- » Arizona participation will be resource ordering support
- » Possible State Emergency Operations Center (SEOC) activation
- » Possible Health and Medical participation

Ready, Responsive, Reliable

25

## Overview of Breakout Sessions I & II

- Breakouts by region with three ADHS representatives per room:
  - Facilitator
  - Recorder
  - Scribe
- Would like a regional representative to help guide the discussions

*Health and Wellness for all Arizonans*

## Overview of Breakout Sessions I & II

- Training and exercise: Opportunities to collaborate with regional partners on all levels of training and exercise

<b>TOPIC: BP5 Training and Exercise Planning</b>					
Training or Exercise Level	Exercise or Event	Capability Tested/Addressed	Date	Training Event	Date
Regional/Coalition:	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
County/Local:	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.
Facility:	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.	1. 2. 3. 4. 5.

*Health and Wellness for all Arizonans*

## Overview of Breakout Sessions I & II

### Training and Exercises

- Objective 1: Review ADHS MYTEP and identify opportunities to participate and collaborate on listed events
- Objective 2: Discuss and Collaborate on Regional BP5 events and activities

Health and Wellness for all Arizonans

## Overview of Breakout Sessions I & II

- Planning and Plans reviews: Opportunities to collaborate with regional partners on emergency plans

Arizona Department of Health Services	TOPIC: BP5 Plans and Planning Coordination			
	BP5 Planning Priorities	Date	Gaps Identified	Barriers
Regional/Coalition:				
County/Local:				
Facility:				

Health and Wellness for all Arizonans

## Overview of Breakout Sessions I & II

### Planning and Plans Review

- Objective 1: Regional review of planning priorities to identify and bridge partners collaborating on similar planning projects in BP5
- Objective 2: Review ADHS Plan Maintenance Calendar and identify opportunities to collaborate on planning activities

Health and Wellness for all Arizonans

## Overview of Breakout Sessions I & II

- During brief back – review results on summary cards

Health and Wellness for all Arizonans

## ***DEMA Training Mission***

- » We train state, county, municipal and tribal agencies
  - Law Enforcement, Fire, EM, Schools, Health
  - Volunteers, Private Sector, Federal
- » Multi-Year Training and Exercise Plan
  - DEMA plan
  - Assist with county plans
- » Exercise Support
- » Specialty Training

2015 Coconino County Full-Scale Exercise  
Photo by: Coconino County Dept of Emergency Management

**Ready, Responsive, Reliable**

36

## DEMA Training Mission

- » Average of 300 classes and 6,000 personnel trained each year
- » \$750,000+ in grant funds annually
  - County grants transferred to DEMA
  - HazMat grant funding through US DOT
- » Adjunct Instructor Program
  - 200+ State and FEMA Instructors

Center for Domestic Preparedness  
Instructor Training Certification Course

*Ready, Responsive, Reliable*

37

## Types of Programs

- » Intermediate and Advanced Incident Command System
- » Public Information Officer
- » School Safety
- » All Hazards Incident Management Teams
- » Hazardous Materials Awareness, Operations and Technician
- » Homeland Security Exercise and Evaluation Program (HSEEP)
- » Many Homeland Security Programs

*Ready, Responsive, Reliable*

38

## **FEMA's Professional Series Programs**

- » Professional Development Series
  - 7 Emergency Management independent study courses
  - Well-rounded set of fundamentals for those in the EM profession
- » Advanced Professional Series
  - 5 Core and 5 Elective classroom programs; solid foundation for EM
- » Emergency Management Professional Program
  - Basic, Advanced and Executive Academies
  - Foundations in EM, leadership, best-practices, case-studies

*Ready, Responsive, Reliable*

39

## **Hosting Training**

- » All requests coordinated through County and Tribal EMs
- » Routed through DEMA for scheduling
- » Host provides facility and helps advertise
- » DEMA provides instructors, materials, registration and bulletins
- » Course minimum varies by program and region
  - State-funded programs: 15 minimum, 2 weeks out
  - Federally-funded programs: 20-25 minimum, 3-4 weeks out

*Ready, Responsive, Reliable*

40

## ***ERMA – for In-State Training***

### **Event Registration and Management Application**

- » Used to track all of our programs hosted in-state
- » Provides permanent record of training for students
- » Provides self-registration for students
- » Provides a method for hosts and POCs to view rosters
- » Provides completion certificates and transcripts
  - [www.erma.az.gov](http://www.erma.az.gov)

*Ready, Responsive, Reliable*

41

## ***FEMA and DHS Resident Training***

- » Emergency Management Institute (EMI)
  - Emmitsburg, MD
- Center for Domestic Preparedness (CDP)
  - Anniston, AL
- Travel is federally funded
- Ability to do group training
  - With advanced notice
- CDP offers “Tracks” of training

Emergency Management Institute, Emmitsburg, Maryland

*Ready, Responsive, Reliable*

42

## ***Attending Out-of-State Training***

- » Each provider has their own process (paper vs online)
- » All applications routed through your agency
  - Agency head, training manager, supervisor
- » All applications routed through DEMA Training Branch
- » DEMA will notify you when application is received
- » Training Provider will notify you when you've been scheduled
  - Travel arrangements will be explained by the provider

*Ready, Responsive, Reliable*

43

## ***DEMA Training Branch Contacts***

- » 602-464-6210 (general office number and ERMA assistance)
- » 602-464-6206 (fax)
- » [training@azdema.gov](mailto:training@azdema.gov) (routed to entire training office)
- » DEMA Training Website:  
<https://dema.az.gov/emergency-management/preparedness/training>
- » On-line Registration: [www.erma.az.gov](http://www.erma.az.gov)

*Ready, Responsive, Reliable*

- First Responder Trainings (BIO Lab)
- Safe handling of Suspicious mail (BIO Lab)
- Field Instrument Training (CHEM Lab)
- Hospital Specimen Collection Shipping & Packaging (CHEM Lab)

*Health and Wellness for all Arizonans*

## Technical Assistance

- Assist PHEP & HPP partners find preparedness courses
- Provide coordination by helping you through the process of:
  - Hosting an ERMA course
  - Registering for FEMA & DHS Resident Trainings

*Health and Wellness for all Arizonans*

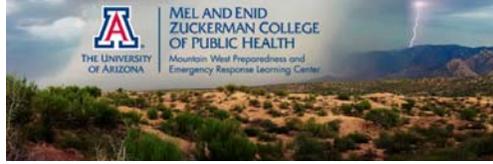

## Technical Assistance

- Develop a training resource website that highlight available skills and trainings that support the PHEP & HPP capabilities
  - Website will be available by close of BP 4 (June 30, 2016)

*Health and Wellness for all Arizonans*

## Preparedness Training Resources

Mountain West Preparedness and Emergency Response Learning Center (MWPERLC)

<http://mwperlc.arizona.edu/>

To build and sustain relations between emergency preparedness partners at the federal, state, local, tribal, and territorial levels to improve communication, collaboration, and coordination to address current and emergent public health challenges

*Health and Wellness for all Arizonans*

## Preparedness Training Resources

<https://asprtracie.hhs.gov/>

- **TR**—Self-service collection of disaster medical, healthcare, and public health preparedness materials, searchable by keywords and functional areas
- **AC**—Provides access to Technical Assistance Specialists for one-on-one support
- **IE**—A user-restricted, peer-to-peer discussion board that allows open discussion in near real-time

*Health and Wellness for all Arizonans*

## Real ID (Voluntary Travel ID)

- Visit AZ Dept. of Transportation: <http://azdot.gov/TravelID>
- Approved as of 03/28/2016
- Must apply in person (could start the application process online)
- Currently available for \$25.00
- Proof needed:
  - **One document to establish citizenship or legal presence:** Certified birth certificate, valid U.S. passport or valid immigration documents
  - **One document to confirm Social Security information:** Social Security card or W-2 form
  - **Two documents to establish proof of residency:** Bank statement, utility bill or Arizona Voter Registration Card.
- Current Driver License or State ID good until 10/01/2020

*Health and Wellness for all Arizonans*
