

## Capabilities Planning Guide (CPG) was developed to serve as a multipurpose decision support tool for awardees

- **Planning**
  - Assist awardees in identifying strengths, gaps, jurisdictional priorities, and areas for possible funding
- **Monitoring**
  - Enable awardees to monitor their progress against a national or regional peer group
- **Technical Assistance**
  - Inform development of awardee-specific technical assistance plans
  - Inform ASPR/HPP and CDC/PHEP program planning by identifying national issues and trends
