

Introducing AZ.MyIR.net

Having your family's immunization records on hand is important, but can be hard to keep track of. Thanks to AZ.MyIR.net, your family's vaccination history – including yours – can be viewed, downloaded, and transferred online free. From every flu or tetanus shot to foreign travel vaccinations, AZ.MyIR.net provides you a copy of your family's immunization history.

Best of all, you can now print an official, continuously updated record from your computer to use for school, daycare, summer camps and other activities where immunization documents are required. The information is exactly as furnished by your doctor to the Arizona State Immunization Information System (ASIS). And it takes less than five minutes to get started!

What is AZ.MyIR.net?

AZ.MyIR.net is the first online service available to Arizona residents offering personal and family immunization records from ASIS. To protect you and your family's identity and confidentiality, all you need to do to register for this free program is to stop by your doctor's office or local clinic.

Why are my immunization records important?

- Proof of immunization is usually required for enrolling in daycare, school and summer camps.
- Satisfies requirements for employers and for military duty.
- Documents immunizations needed for certain international travel.

How will AZ.MyIR.net benefit me and my family?

- AZ.MyIR.net helps you guard your family's health by keeping track of the status of everyone's recommended and completed immunizations for you.
- AZ.MyIR.net's "Vaccine Forecast" reminds you when it's time for an immunization or when one is past due for each family member.
- You can print official immunization certificates at home without your doctor's assistance.
- Moving to another state? AZ.MyIR.net travels with you.
- When you need to share, AZ.MyIR.net lets you save and send record copies to persons of your choosing.

Sign-up is easy! Here's how to sign-up in three easy steps:

- 1 Complete the simple MyIR registration form** and give it to your healthcare provider. They will enter your information into AZ.MyIR.net for you, and you will automatically receive an email with a personal, secure activation link. You will also receive a four-digit PIN number required for first-time activation of your account.
- 2 MyIR sends you a "Welcome" email.** Click on the activation link in your email. You will be taken to the AZ.MyIR.net log-in screen.
- 3 Enter the four-digit PIN** given to you by your provider and choose a new permanent password to activate your account.

Congratulations!

You now have access to your family's immunization records through AZ.MyIR.net!

AZ.MyIR.net is secure and your privacy is protected.
