Streamlined Layout for Easier Navigation.

The Smoke Free Arizona homepage welcomes visitors with clearly and visually defined categories.

Visitors will be able to have immediate access to order signs for their businesses; report violations; find how to comply with the Law; and access Smoke-Free Arizona publications.

Our tabs provide the quickest way to find a copy of the Smoke-Free Arizona Act and the rules.

Users will also find the most accurate information regarding the Act and how it applies to public places, places of employment, outdoor areas,

outdoor patios, and residential areas.

Visitors can also find historical information on the SFA Timeline as well as a link to the SFA App which allows users to report violations from a smart phone or tablet device.
