

ARIZONA DEPARTMENT
OF HEALTH SERVICES
PREPAREDNESS

AZPDES/APP Permit Field Method Training (Round 2)

Offered by: The Arizona Department of Health Services in cooperation with the Arizona Department of Environmental Quality, AZ Water Association, and the Rural Water Association of Arizona

Where: 19 Different Locations (Cottonwood 10/3/16, Flagstaff 10/4/16, Page 10/5/16, Miami 10/18/16, Show Low 10/27/16, Payson 10/28/16, Casa Grande 11/1/16, Tucson 11/8/16, Yuma 11/18/16, Phoenix 11/28/16, Chandler 11/29/16, Goodyear 11/30/16, Surprise 12/1/16, Prescott 12/13/16, Kingman 12/14/16, Quartzsite 12/16/16, Safford 1/10/17, Bisbee 1/11/17 and Nogales 1/12/17)

This training class is being provided at **no charge**.

Up to **4.0 PDHs** will be offered for completion of the training. Partial PDHs may be given.

This training is designed to provide an overview, selected demonstrations (field and in the lab), and discussion of the 6 newly updated compliance methods (pH, temperature, dissolved oxygen, turbidity, specific conductivity and ultra low level total residual chlorine) that are required to be performed by facilities that have AZPDES, APP and Reuse Permits.

Please note: Due to potential space limitations and to assure all have access, only 1 registration from each organization will be confirmed, until all interested parties have had the opportunity to register. Others are encouraged to register, but will be placed on a waiting list on a 1st come-1st served basis. They will be notified by email after the registration closes.

There will be NO on-site registration.

Registration deadline is two weeks before each training event.

To Register: E-mail bakersd@azdhs.gov or call (480) 284-6869

Directions and site information will be E-mailed prior to the workshop.
