

Well Woman HealthCheck Program Insurance Coverage Assessment

Effective February 1, 2017 – October 31, 2017

INSURANCE RE-ASSESSMENT MUST OCCUR PRIOR TO ANY FOLLOW-UP

Beginning January 1, 2014, eligible U.S. residents are required to have health insurance. It is in your best interest to have health insurance to cover your medical needs. The Well Woman HealthCheck Program is the payor of last resort for breast and cervical cancer screening and diagnostic services.

	Initials
Currently, I <u>do not</u> have health insurance coverage OR my health plan <u>does not</u> cover services offered by the Well Woman HealthCheck Program OR my health plan's co-pay or deductible is \$100 or more.	

At this time, I will be receiving services from the Well Woman HealthCheck Program.
