1. Asian: A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian subcontinent including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam. It includes people who indicate their race as "Asian Indian," "Chinese," "Filipino," "Korean," "Japanese," "Vietnamese," and "Other Asian" or provide other detailed Asian responses. http://www.census.gov/acs/www/Downloads/data_documentation/SubjectDefinitions/2010_ACSSubjectDefinitions.pdf
 2. U.S. Census Bureau, 2010 American Community Survey. Population Group: Asian alone (not including Asian in combination with one or more other races) in the U.S. and Arizona. <http://factfinder2.census.gov/>
 3. Unmarried includes never married, separated, widowed and divorced.
 4. Labor force includes civilian labor force and armed force.
 5. Speak language(s) other than English at home.

* Please note that percentages may total more than or less than 100% for each category because of rounding.

Source: U.S. Census Bureau, 2010 American Community Survey. The American Community Survey interviews the resident population without regard to the person's legal status or citizenship. Anyone who lives in the U.S. for more than two months out of the year is usually considered a resident. The survey is completed through random sample. The survey is conducted by mail to persons with mailing addresses, telephone and in-person follow-up. For more demographic information, please visit <http://factfinder2.census.gov/>.
