ENHANCED DENTAL TEAMS

Navajo-Apache-Gila Regional Oral Health Coalition

- Coalition was formed in 2008
- Serves Navajo, Apache and Gila Counties and contiguous Tribal areas of the White Mountain Apache, Navajo Nation and Hopi.
- Vision Statement: The Navajo-Apache-Gila Oral Health Coalition continues to develop into a union of people and organizations working together to address the oral health needs of the people in our communities.
- Mission Statement: The Navajo-Apache-Gila Oral Health Coalition is committed to helping all citizens, particularly young children, achieve a level of oral health that not only meets, but exceeds national standards by recognizing our counties' oral health needs and implementing programs that will decrease oral disease.
- Key members and/or partnerships
 1. Lead/administrative representatives from Navajo County, Apache and Gila County Public Health Services Districts
 2. Navajo County Oral Health Educators
