ACTIVITY LOG	
TIME	MAJOR EVENTS & CURENT ACTIVITIES
5:30 pm	<ul style="list-style-type: none"> • Health Emergency Operations Center (HEOC) activated at 8:00 am. • No Local Health Officer's conference call. • Received Border Health update for 5/6/09 • Operations slowing down at border counties, still in contact with Sonora on two (2) cases. Lab will be functional in Sonora on Friday. • HEOC briefing held at 9:30 am • Lab has setup their validation run with the new reagents, this will help with the backlog of untypeable samples. • PHIMS Chart & HEOC Contact list distributed to HEOC staff, County & Tribal BT coordinators. • IAP 8 (for 5/5/09) was distributed to HEOC staff. • Daily Conference call with Tribal/County partners is cancelled. • Clarified information in regards to media requests about the locations of County RSS facilities. • PIO DVD has been completed and some parts may start showing up during local newscasts. • Dept. of Education published their "Guidance to Schools on H1N1 Influenza Outbreak", it went out to local school districts today, 5/6/09. • 3:30 HEOC briefing only involved section chiefs. • Maricopa County requested additional personnel resources/ assistance, this was coordinated & filled by the Opns. Section. • Final guidance received about Pharmacy distribution issue, Hospital Assoc. issued a 4-page guidance document. Will be distributed soon. The only open item is the EMTALA issue.

Situation Report Form

	<ul style="list-style-type: none"> • HAN sent out regarding EMSystem daily H1N1 Influenza inquiry poll results. • HAN sent out re: New & Updated Interim CDC Guidance Documents on H1N1 Flu. • RSS/SNS – still awaiting on 9-10 counties to get back to ADHS about SNS discrepancies, they have until 5:00 today. • Updating specimen collection guidance for clinicians and counties. • Operations sent out daily status updates to partners. • Finance still tracking all H1N1 crisis expenditures. • ADOT made decision not to display health alert information on traffic display boards. • HHS Email messages being catalogued. • HEOC closed at 5:00 pm.
TIME	ANTICIPATED NEEDS AND ISSUES
	<ul style="list-style-type: none"> • Website will need continual updating. • Providers and public will continue to make inquiries. • Epis will continue to communicate with partners and collection of line lists for CDC. • ASL testing of specimens will continue. • Please see the Incident Action Plan (IAP) for assignments made during the briefings.
