Reports should be sent to:
Arizona Department of Health Services
Infectious Disease Epidemiology
150 North 18th Avenue, Suite 140
Phoenix, AZ  85007
602-364-3676 or 602-364-3199 (fax)

ARIZONA LABORATORY
REPORTING REQUIREMENTS

Isolates should be sent to:
Arizona State Laboratory
250 North 17th Avenue
Phoenix, AZ  85007

Submit a report immediately after receiving one specimen for detection of the agent. Report receipt of subsequent specimens within five working days after receipt.

Submit a report within 24 hours after obtaining a positive test result.

Submit a report within one working day after obtaining a positive test result.

Submit a report within five working days after obtaining a positive test result or a test result specified on this page.

Submit an isolate of the organism for each positive culture to the Arizona State Laboratory at least once each week, as applicable.

For each positive test result, submit a specimen to the Arizona State Laboratory within 24 hours after obtaining the positive test result.

When reporting a positive result for any of the specified tests, report the results of all other tests performed for the subject as part of the disease panel.

Submit a report only when an initial positive result is obtained for an individual.

Submit an isolate of the organism only when an initial positive result is obtained for an individual, when a change in resistance pattern is detected, or when a positive result is obtained ≥ 12 months after the initial positive result is obtained for an individual.
