Eliminate common backyard mosquito breeding sources.

Protect yourself from mosquito bites:
• Avoid outdoor activity during peak mosquito times – dusk to dawn
• Wear long, loose, light-colored clothing
• Use insect repellant when outdoors after sunset

Neglected swimming pool
Open boat
Clogged gutters
Broken screens

Poorly maintained pond (Stock with mosquito larvae-eating fish)
Items that hold water for more than a few days
Leaky watering equipment
Birdbath (Change water twice a week)
