

ARIZONA CANCER REGISTRY RECODING INSTRUCTIONS FOR COLLABORATIVE STAGING VERSION 01.04.01

General Instructions

1. Use this table in conjunction with the “review cases” list generated by your software and with the new schemas. Please send your review list to the ACR, care of Kara Locketti.
2. Before recoding, record the old code(s) on the “Critical Data Change Form for Collaborative Stage Version 01.04.01.” After recoding, record the new codes on the form.
