

R9-5-305 and R9-3-308

## **Immunization Requirements**

A licensed or certified child care provider must obtain and maintain records regarding their enrolled children's immunizations.

If you need current information regarding immunization requirements, go to <http://azdhs.gov/phs/immunization/school-childcare/> or contact the Arizona Department of Health Services, Public Health Services at:

### **Arizona Immunization Program Office**

150 N. 18th Avenue, Suite 120  
Phoenix, AZ 85007  
(602) 364-3630  
(602) 364-3285 Fax

Here are links to some commonly used forms and documents which can also be found at the **School & Childcare Immunization Requirements** page.

**[Medical Exemption form \(English\)](#)**

**[Medical Exemption form \(Spanish\)](#)**

**[Religious Beliefs Exemption form \(English\)](#)**

**[Religious Beliefs Exemption form \(Spanish\)](#)**

**[Referral Notice and new Requirements](#)**

There are additional forms available for K-12 settings, as well as child care settings. **Immunization Data Reports** are due by November 15<sup>th</sup> – check out the new forms!

Access the **[AZ Immunization Handbook](#)** and sign up for the **[ADHS Immunization newsletter](#)** for helpful guidance and resources

Take advantage of the **[Healthy KIDS AZ](#)** app – a handy reference and reporting tool for nurses and administrators
