Arizona Department of Health Services  
Division of Public Health Licensing Services  
Bureau of Medical Facilities Licensing

*In accordance with A.R.S. § 41-1030(B), an agency shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule or state tribal gaming compact. A general grant of authority in statute does not constitute a basis for imposing a licensing requirement or condition unless a rule is made pursuant to that general grant of authority that specifically authorizes the requirement or condition. (E) This section may be enforced in a private civil action and relief may be awarded against the state. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against the state for a violation of this section. (F) A state employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissal pursuant to the Agency's adopted personnel policy. (G) This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.*
