## LICENSING

### Definition of “Food”

Anything placed in the mouth intended for human consumption (Defined as food, drink, or other substances swallowed or absorbed) is considered food.

Marijuana tinctures, tonics, tablets, capsules, etc. are considered food and therefore require an Infusion Kitchen License.

**“Food”** (as defined by Arizona Food Code and FDA Food Code) means a raw, cooked or processed edible substance, ice, beverage, or ingredient used or intended for use or for sale in whole or in part of human consumption or chewing gum.

**“Edible Food Product”** (as defined by A.A.C, Title 9, Chapter 17) means a substance, beverage, or ingredient used or intended for use or for sale in whole or in part for human consumption.
