WARNING!

The Risks Are Real

Marijuana may **harm** your baby

Smoking or ingesting marijuana in any form while pregnant or breastfeeding may cause:

- Higher risk of stillbirth
- Smaller size of baby at birth
- Behavioral and attention problems in children
- A report to the Arizona Department of Child Safety

BE AWARE!

There may be potential dangers to fetuses caused by smoking or ingesting marijuana while pregnant or to infants while breastfeeding.

KEEP BABY SAFE!

Use of marijuana during pregnancy will result in a risk of being reported to the Department of Child Safety during pregnancy or at birth of the child by persons who are required to report.

If your child ingests, drinks or inhales marijuana products call:

Arizona Poison & Drug Information Center

1-800-222-1222 OR CALL **911**
