Medical Marijuana Licensing Management System (MMLMS)
Individual Portal and Applications
Individual Licensing Portal
For Patients and Caregivers
AMMA: Arizona Medical Marijuana Act

More information can be found from the Medical Marijuana page on the ADHS website at: https://azdhs.gov/licensing/medical-marijuana
Portal Registration and Login
Website Access

To gain access to the Individual Licensing Portal, users must access the Arizona Department of Health Services Medical Marijuana page. There, users will find the link to the Individual Licensing Portal and additional helpful information for navigating the portal.

1) Access AZDHS.gov
2) Search and access Medical Marijuana Homepage: https://azdhs.gov/licensing/medical-marijuana/
3) Select Individual Licensing Portal
Portal Registration and Login

In order to create a Medical Marijuana application, Patients and Caregivers must first create an account to have access to the online Individual Licensing Portal. The following steps outline how to create an account and login to the portal.

1. Create new account by accessing ADHS Individual Licensing Portal
2. Click Don’t have an account? Sign up here.
3. Enter information into fields to create account
4. Check security box and complete required check
5. Click Create Account

**NOTE:** Use unique email. You will only need one email account to access all licensing portals and respective applications and cards

**REMINDER:** When creating an account, ensure legal name and date of birth are accurate.
6) An email will be sent with instructions to reset your password.

7. Click on the temporary link to reset password.

8. Follow the reset password instructions.
Portal Registration and Login
Access and Update Profile

To login to the AZDHS Individual Licensing Portal users will need the account they previously created. The profile section of the account will display user’s personal information, some of which is editable from the portal.

1. Access login page
2. Enter Email Address and Password
3. Click Login
4. View Profile in top right corner
5. Click <Name> to access profile
6. Click the pencil to edit fields in Profile section

NOTE:
- Profile is accessible from all tabs in portal
- Logout available from profile

7. Editable fields appear with red outline (Phone number and Email address)
8. Click check mark to save
9. Click Change Password to change
10. Check email for instructions to finish changing password

NOTE: Legal Name can only be changed through Change Application
Submitting Applications
Patient Application

To apply for a Medical Marijuana patient card, applicants will need to access the Individual Licensing Portal. Once in the portal, the application will be completed electronically, and applicants will be able to submit and see application statuses.

1. For first time submittal for Medical Marijuana applications, login to Individual Licensing Portal, click Medical Marijuana tile

2. Click New Patient Application tile

NOTE: New Patient Application tile will no longer show once application is approved
Submitting Applications
Patient Application

3. Begin application
4. Click **Download Application Instructions**
5. Click **Download Application Checklist**
6. Review if you agree to receive notices from the department

**NOTE:** To complete the application, you must have specific documents and other items in a digital format ready for upload. Please review the application checklist and instructions before beginning the online application process.

7. Click **Agree and Proceed**

**NOTE:** This creates an application ID
8. View application
9. Enter Identification Information
10. In Contact Information section, select appropriate option in dropdown for **Homeless** status

**NOTE:** Enter **First** and **Last name** exactly as it appears in the electronic copy of photo identification

11. Enter Residence **Address information**
12. Check box if mailing address differs from residence address

**NOTE:** Applicant must provide a complete and valid address; a P.O. Box will not be accepted

13. Review the **Consent to Sign electronically** agreement
14. Place signature in box
15. Click **Sign** to add signature to application. Click clear to erase box

**NOTE:** A PDF attestation form must be uploaded if choosing not to sign electronically
16. Caregiver Information: select response – If yes, complete available fields with Caregiver information

17. Select response in Request to Cultivate section

18. Click Save & Continue

NOTE: If Save & Exit is selected, application will be in Not Submitted status for 14 days. To complete, access application notification in portal.

19. Enter Physician’s Information

NOTE: Physician Information must match Information in the signed physician certification form.

20. Enter Qualifying Health Condition

21. Click Save & Continue
22. View Other Information Section
23. Check appropriate box for Clinical Studies
24. Check appropriate box for SNAP Eligibility

**NOTE:** If yes is selected and SNAP Eligibility documentation is not valid or current, ADHS will send notification to pay remaining application amount before the application can be approved.

25. Select Save & Continue
Submitting Applications
Patient Application

26. Upload all required supporting documentation indicated by the red *.

**NOTE:** If you provided an electronic signature, you are not required to upload an electronic copy of Qualifying Patient attestation.

27. Upload SNAP documentation if applicable.

28. Click Save & Continue.

**NOTE:** If “yes” for SNAP eligibility, upload valid and current SNAP documentation.
29. Review Application sections
30. If necessary, click Edit Section to modify data in that section
31. Once application data is verified, click Submit & Go to Payment to proceed to enter payment information

32. Enter Payment Information
33. Review Payment Information and total amount billed
34. Click Authorize

Submitting Applications

Check Application Status without Approved Card

Once an application has been submitted, access the Individual Licensing Portal to see the status of the application. Please note that the steps outlined below will only occur if an individual does not currently have an approved card.

1. Login to Individual Licensing Portal
2. In the Other Programs Information section, click Medical Marijuana tile

3. In the Information section, click Check Application Status Form

4. View Application Status

**NOTE:** If application is not submitted, it will be available for 14 days after it has been created.
Submitting Applications  
Caregiver – Adult Patient Application  

To apply for a Medical Marijuana caregiver card, applicants will need to access the Individual Licensing Portal. Once in the portal, the application will be completed electronically. Applicants will be able to submit and see application statuses from the portal.

1. Login to Individual Licensing Portal  
2. Click Medical Marijuana tile  

**NOTE:** This path should only be followed if applicant does not have existing card and access to electronic card in the Individual Licensing Portal.

3. Click New Caregiver Application tile
Submitting Applications
