

Navigating the Matrix

Identify your facility type in the far left column, and follow that row across the matrix to identify all items you will need to submit to the Bureau in order to apply for a registration. Note the acknowledgement forms require the attachment of **training and licensure documents**. If you need assistance identifying which type of facility is most appropriate, visit the [types of facilities](#) tab of our website. All forms are located under the [Nonionizing Forms](#) tab of this website.

Where to submit application?

Send your COMPLETE new application with payment via physical mail. Currently we do not have the ability to accept new applications online.

Bureau of Radiation Control
Attn: Nonionizing Compliance
4814 South 40th Street
Phoenix, AZ 85040

Note: Appropriate and full payment must be included with new registrations; make checks payable to Arizona Department of Health Services.

Need more assistance calculating the appropriate fee?

Review the "[Fee Schedule](#)" on our website for more detailed guidance on calculating the appropriate fee needed to apply for or renew your registration.
