

BUREAU OF EMERGENCY MEDICAL SERVICES & TRAUMA SYSTEM EMCT CONTINUING EDUCATION

EMCTs seeking continuing education (CE) hours for any of the posted upcoming educational opportunities should follow their agency's CE policy, including, but not limited to, administrative medical director approval.

[The Department of Emergency and Military Affairs' Training Branch](#) provides free training to state, county, local and tribal first responders, first receivers, and emergency management personnel. They also arrange attendance at training for many out-of-state federal programs. Visit their website for more information on creating an account and signing up for offered classes.

[Texas Health & Human Services: Texas Health Steps](#) offers free on-demand CE courses to EMCTs. Interested EMCTs must register with Texas Health Steps for a username and password to enroll. Courses start immediately upon enrollment. Search all of the offered course topics on the Texas Health Steps website.

For pre-recorded webinars, visit the [Pre-Recorded Webinars](#) document on our website.

[Childhood and Adolescent Depression](#) Specific Learning Objectives

After completing the activities of this module, you will be able to:

1. Summarize the signs and symptoms of depression in children and adolescents.
2. Apply current recommendations for screening children and adolescents for depression, including applying the Texas Health Steps Periodicity Schedule and approved screening tools.
3. Examine the role of the medical home in the treatment and ongoing management of childhood and adolescent depression.

Module expires on **5/3/2025**.

PLEASE NOTE: Course information is provided by the individual training program and is subject to change and/or cancellation. For current information concerning any course, you must contact the training program directly. The Arizona Department of Health Services and the Bureau of Emergency Medical Services & Trauma System disclaim any liability for any errors or omissions.

UPCOMING CE OPPORTUNITIES

Topic: Updates In Progress

TRAFFIC INCIDENT MANAGEMENT (TIM) CE OPPORTUNITIES

The Bureau of EMS & Trauma System, in collaboration with the AZ TIM Coalition, and the EMS Regional Councils is offering Free 4-hour Virtual TIM courses during the 2023 calendar year. TIM trains first responders to reduce the risks of being struck and killed at highway incident scenes.

Participants receive 4 CE hours (CAPCE Approved).

If you want to schedule a TIM class (in-person or virtual) please email [Luz Rubio](#) to make arrangements.

EDU250 Class #33013

Teaching and Learning in the Community College for Fire Science & Emergency Medical Services Spring 2024

Course Description

This 3.0 credit hour course provides an overview of college teaching and learning with special emphasis on fire science and emergency medical services (EMS) education. EDU250 supports professional development and meets educational standards for fire service, FEMA, EMT, and Paramedic educators. **THIS COURSE IS EXPLICITLY RESERVED AND DESIGNED FOR INDIVIDUALS WHO ARE TEACHING OR PLANNING TO TEACH IN EMT, FIRE SCIENCE, FEMA, OR PARAMEDIC EDUCATION PROGRAMS.** This course has been approved by AzDHS/BEMSTS as an equivalent to the *Instructional Strategies for EMS* course. Continuing education credit is awarded.

Course content includes:

- Paradigms of Fire Service and EMS Education
- Instructional Strategies and Methodologies
- Best Practices in Education
- Characteristics of the Professional Fire Service and EMS Educator
- Ethical Issues in Education
- The Law as it Applies to Instructors and Risk Management

Live-Online in a Synchronous Lecture Format

Students are required to use online Webex software. This online course requires reliable internet access. If you have not used Webex for a previous online course, please read the tutorial:

<https://www.paradosevalley.edu/academics/distance-learning/online-briefing>

The instructor will email students the links to the online course meetings.

Choose to attend one of these online course meeting dates in Block 1:

Friday, April 5, 2024, 9:00 AM to 4:00 PM **or**

Tuesday, April 9, 2024, 9:00 AM to 4:00 PM

Choose to attend one of these online course meeting dates in Block 2:

Friday, May 3, 2024, 9:00 AM to 4:00 PM **or**

Tuesday, May 7, 2024, 9:00 AM to 4:00 PM
