

How to View Order Tracking Numbers in VOMS 2.0

Step 1: Navigate to ASIIS

<https://asiis.azdhs.gov/> & Log in

ARIZONA DEPARTMENT OF HEALTH SERVICES

USERNAME

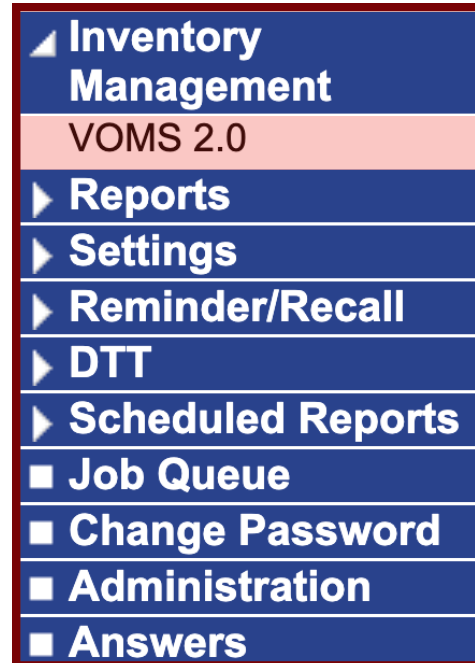

PASSWORD

LOG IN

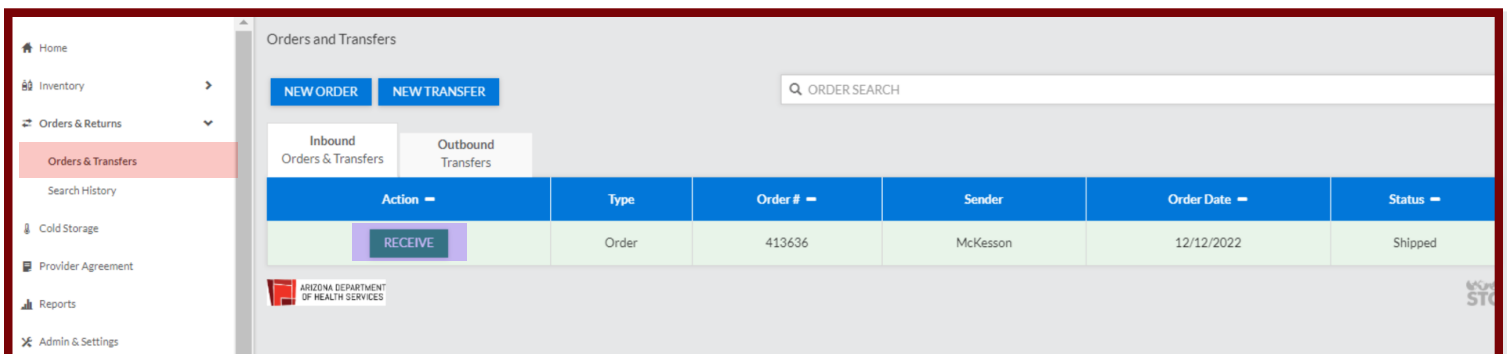

[Forgot Password?](#)

Step 2: Select the Inventory

Management tab, then select VOMS 2.0

Step 3: Click on the Orders/Transfers tab and then click on Receive next to the shipped order

Step 4: Once the order has opened, click on **Tracking #** under NDC on the left hand side

VACCINE	LOT #	EXPIRATION DATE	RECEIPT DATE	FUNDING SOURCE	ORDERED QUANTITY	APPROVED QUANTITY	SHIPPED QUANTITY	RECEIPT QUANTITY	ACTION
DTaP/DT/Td									
Dtap Infanrix® SKB 10 pack - SYRINGES NDC: 58160-0810-52	9HP9Z	04/21/2024		VFC	10	10	10		ADJUST ADD LOT
DTaP/DT/Td HEP-B 3 DOSE HIB POLIO									

Step 5: The **tracking number pop up box** will appear on the screen with the vaccine name, the **tracking #**, and the **carrier information**

TRACKING #

DTaP Infanrix® 10 pack - SYRINGES Qty Approved: 10

Tracking #: 1Z81W6330184805675 Carrier: UPS1

OK

TRACKING #

DTaP Infanrix® 10 pack - SYRINGES Qty Approved: 10

Tracking #: 1Z81W6330184805675 Carrier: UPS1

OK

Note: Refrigerated and frozen vaccines ship separately. If any part of your vaccine order has shipped, the order status will update to "shipped". However, if there is no "Tracking #" under a NDC then that particular vaccine has not shipped.
