

COVID-19 Webinars

Arizona Department of Health Services (ADHS) is hosting multiple webinars this week on COVID-19. Participants can submit questions to ADHS in advance to this form, [here](#). We can work to address these questions during the webinar or on our website. There will also be a Q&A session available during the call. Due to the high influx of questions, the ADHS COVID-19 Response Team may not be able to respond to your question directly.
