

## Formula Color Chart

- **Green (standard contract):** Competent Professional Authorities (CNWs, NESs, RDs, etc.) can issue until an infant's first birthday without medical documentation.
- **Orange (special formula) | Blue (WIC eligible nutritionals):** RDs and State Approved Nutritionists can approve medical documentation for the full duration, or issue for one month without medical documentation.
- ◆ **Purple (conditionally special):** RDs and State Approved Nutritionists can approve medical documentation for the full duration, or issue one month without medical documentation, if the client meets WIC criteria.
- ♥ **Red (non-contract):** Local agencies may only approve medical documentation after contacting the state office for consent. No formula shall be issued without medical documentation.
- ★ **Grey:** Unable to issue.
