

Tips for Bookmarking and Clearing Cache

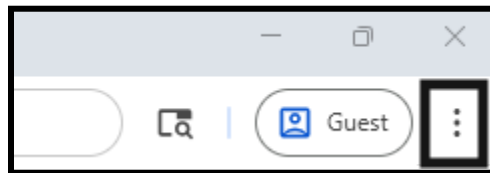

Saving DAVE as a Bookmark in Chrome

1. Type azvitals.com in URL bar.

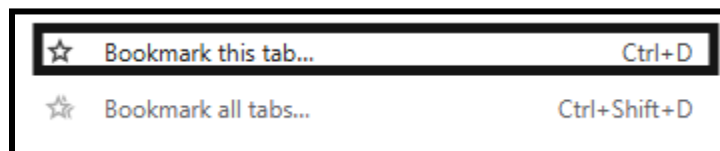

Note: Do not type this into search engines such as Google or Bing. This may take you to an incorrect site.

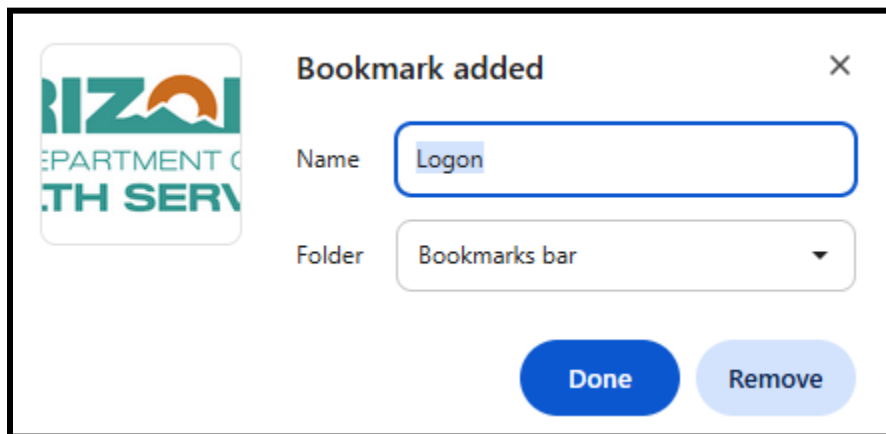

2. Once DAVE is up, click on the 3 vertical dots in the upper right corner of the screen.

3. Hover the cursor over the word Bookmarks.
4. Click on the option “Bookmark this tab...”

5. “Edit bookmark” pop-up box: Pick a title for your bookmark.

Bookmark added [X]

Name

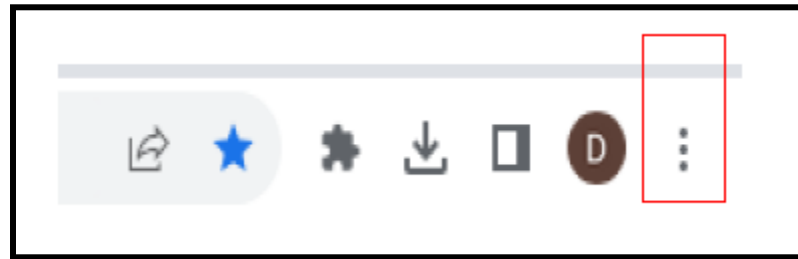

Folder

Done **Remove**

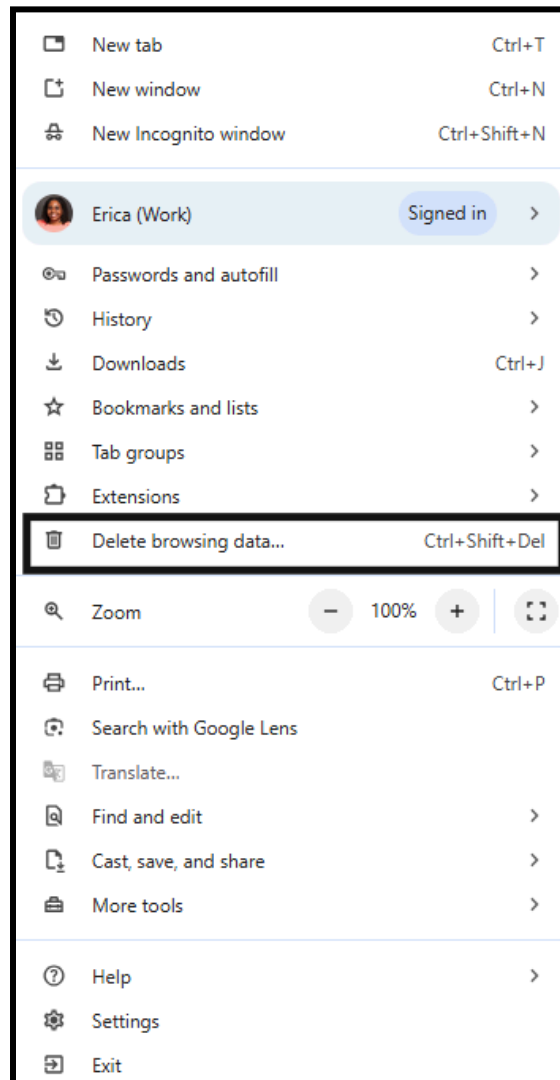

6. Once name is updated click Done.
7. Next time “bookmarks” will display the title that was saved. Click on it and the DAVE login page will appear.

Clearing your Cache in Chrome:

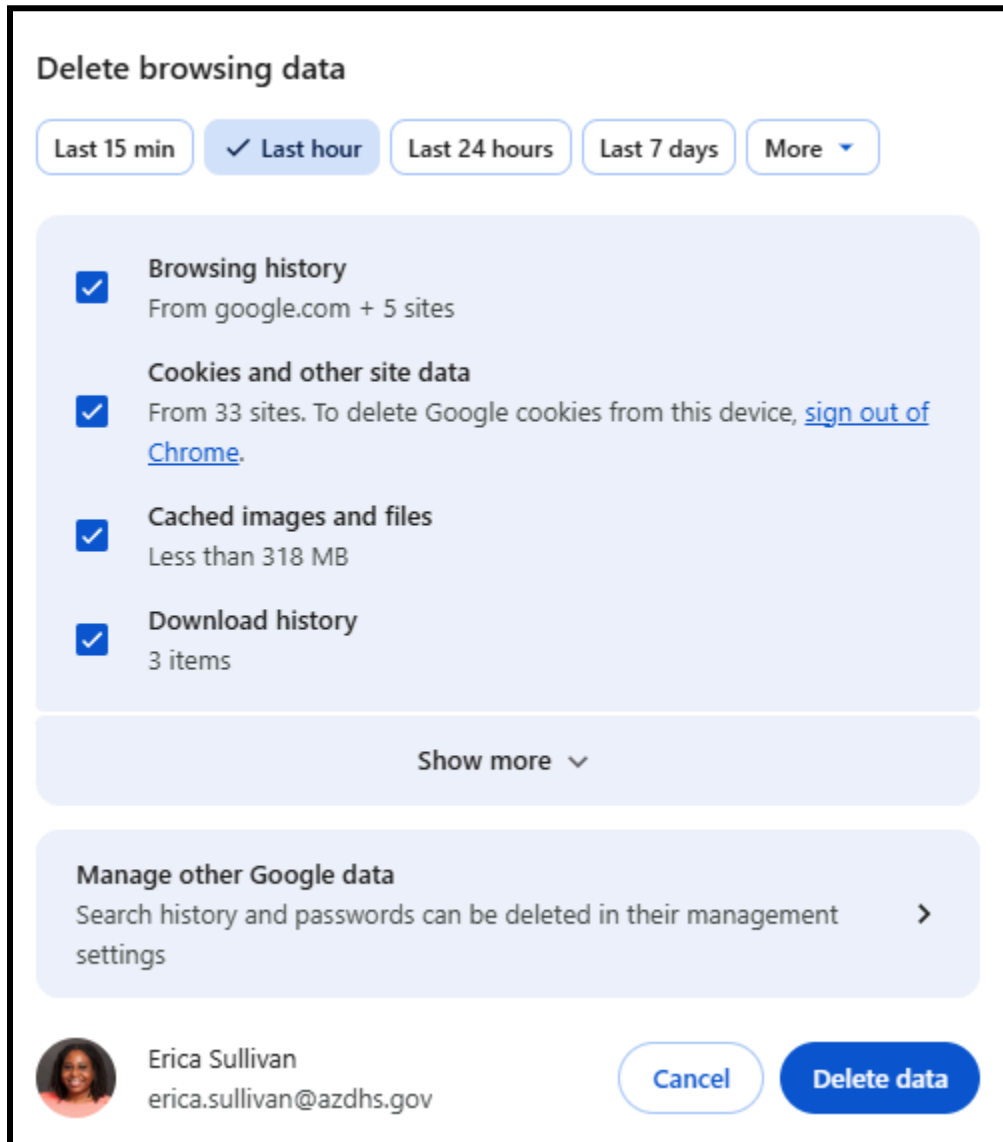

1. In Chrome click on the 3 vertical dots in the upper right corner of the screen.

2. Hover over More Tools and click on Clear browsing data.

3. Select the options as they appear in this screenshot. Also take advantage of the time period you are able to select. Then click Clear data.

4. Once you click delete data this image will disappear.
