The Arizona Department of Public Safety (DPS) may exchange this fingerprint data with the Federal Bureau of Investigation (FBI) without disclosing that the records check is related to the Medical Marijuana Act and acts permitted by it. When the results of the state and FBI records search are no longer needed, ADHS will destroy these records and related fingerprint cards.

Because one set of fingerprints may be illegible, ADHS requires submitting two sets of original fingerprints in order to expedite processing. Prints are to be taken by someone experienced in rolling fingerprints. Please be sure that the prints are legible. If they are smudged or blurred, the prints will be rejected.

DISCLOSURE STATEMENT TO APPLICANTS

Your fingerprints will be used to check the criminal history records of the FBI. If you have an FBI criminal history record, ADHS must provide you the opportunity to complete or challenge the accuracy of the information in the record. You would be afforded an opportunity, pursuant to the uniform administrative hearing procedures as provided in [A.R.S. § 41-1092](#) et al. (Title 41, Chapter 6, Article 10) before ADHS takes final administrative action based on information in the FBI criminal history record.

The procedures for obtaining a change, correction, or for updating your FBI criminal history record are set forth in Title 28, Code of Federal Regulations (CFR), Section 16.30 through 16.34. Information on how to review and challenge your FBI criminal history record can be found at www.fbi.gov under Criminal History Summary Checks or by calling (304) 625-3878.

To obtain a copy of your Arizona criminal history in order to review/update/correct the record, you can contact the DPS Criminal History Records Unit at (602) 223-2222 to obtain a fingerprint card and a Review and Challenge packet. Information on the review and challenge process can be found on the DPS website (www.azdps.gov).

WHERE TO OBTAIN FINGERPRINTING SERVICES AND FINGERPRINT VERIFICATION FORMS

Check with your local law enforcement agency to determine if they provide fingerprint cards and public fingerprinting services. You may also check for a private fingerprinting company to provide this service.

You should be provided with the appropriate fingerprint card by either the law enforcement agency or private company you use. **Please note that DPS will not provide the fingerprint card stock nor complete the fingerprinting.**
