Premiums

Most people do not have to pay a monthly premium for AHCCCS Medical Assistance. Some people with income too high to qualify for AHCCCS Medical Assistance with no monthly premium may be able to get it by paying a monthly premium. If you have to pay a premium, the monthly premium amounts are:

- \$10 - \$70 for KidsCare
- \$10 - \$35 per person for employed people with disabilities

American Indians and Alaskan Natives: Per federal law, American Indians enrolled with a federally recognized tribe, children and grandchildren of American Indians enrolled with a federally recognized tribe and certain Alaskan Natives do not have to pay a premium. To get AHCCCS Medical Assistance at no cost, you must give us proof of tribal enrollment.

Co-payments

A co-payment is the amount you pay a health care provider when you receive a medical service. Your co-payment amount will vary depending on which AHCCCS program you are enrolled in and the services you need. For some AHCCCS programs, the provider can deny services if the co-payments are not made. Co-payments for services are:

- \$2.30 to \$10.00 for prescriptions
- \$0 to \$30.00 for non-emergency use of an emergency room
- \$2.30 to \$3.00 for physical, occupational or speech therapy
- \$3.40 to \$5.00 for outpatient visits for evaluation and management services including doctor's office visits

Remember to report any changes in income because this may change your co-payment amount.

The following people are never asked to pay co-payments:

- Children under age 19.
- Individuals up through age 20 eligible to receive services from the Children's Rehabilitative Services (CRS) program.
- People who receive hospice care.
- People determined to be Seriously Mentally Ill (SMI) by the Arizona Department of Health Services.
- American Indian members who are active or previous users of the Indian Health Service, tribal health programs operated under Public Law 93-638 or urban Indian health programs.
- People who are acute care members and who are residing in nursing homes or residential facilities such as an Assisted Living Home and only when the acute care member's medical condition would otherwise require hospitalization. The exemption from copayments for acute care members is limited to 90 days per contract year.

In addition, co-payments are never charged for the following services for anyone:

- Hospitalizations
- Emergency services
- Family planning services and supplies
- Services paid for on a fee-for-service basis
- Pregnancy-related health care including tobacco cessation treatment for pregnant women

How does AHCCCS Medical Assistance work?

If you are approved for AHCCCS Medical Assistance, you will receive your health care from an AHCCCS health plan unless:

- You are American Indian and you choose American Indian Health Program as your health plan.
- You are approved for one of the Medicare Savings Programs.
- AHCCCS can only pay for your emergency services because of your status with United States Citizenship and Immigration Services. If you are approved for emergency services only, you may receive medical services from any provider (doctor, hospital, etc.) that has an agreement to bill AHCCCS for covered emergency services.

How does a health plan work?

- The health plan works with health care providers (doctors, hospitals, pharmacies, etc.) to provide all AHCCCS covered services.
- The health plan will send you a member handbook once you are enrolled.
- You can call the health plan if you have any questions about your benefits or services or if you need an accommodation because of a disability or interpreter services. The phone number for your health plan's member or customer services can be found on your AHCCCS ID Card and in your Member Handbook.

How can I get behavioral health services?

- You can go through your primary doctor, or
- Call the behavioral health telephone number on your AHCCCS ID Card.

What if I have Medicare or other health insurance?

- Be sure to tell your health plan that you have Medicare or any other health insurance.
- If your doctor does not contract with your AHCCCS health plan, your doctor must call the AHCCCS health plan to coordinate care or you may be responsible for any Medicare or other health insurance co-payments or deductibles.
- If you are in an HMO, you should pick a primary doctor who works with both your HMO and your AHCCCS health plan.
- If you have Medicare, your prescription coverage under AHCCCS is limited. If you have questions about prescriptions, call 1-800-MEDICARE (633-4227), or your AHCCCS health plan.

What do primary doctors and specialists do?

Once enrolled, you will get a list of primary doctors in your area from the health plan. You must choose your primary doctor or one will be assigned to you. You have the right to change your primary doctor at any time by calling your health plan's member or customer services. Your primary doctor will:

- Take care of your health care.
- Be responsible for authorizing your non-emergency medical services.
- Be the first person you go to for non-emergency medical care.
- Send you to a specialist when needed.

We will not use your SSN as your AHCCCS identification number. Your SSN will be used to check the identity of those receiving assistance, to prevent double payments, to determine benefits available under other programs, to verify state residency or other conditions of eligibility, and to make mass annual changes more easily. Your SSN will be used in computer matching available through the State Income and Eligibility Verification System (IEVS) to obtain wage, income and other information from: (a) the IRS, (b) the Social Security Administration, (c) Arizona Department of Economic Security, and (d) other states administering TANF, Medicaid, Unemployment Insurance, Food Stamps, Programs under Title I, X, XIV, XVI of the SSA and other state wage information collection agencies. AHCCCS will use the information available from this computer matching to verify income and whether you have Medicare. When the information you give is questionable, AHCCCS will verify the information by contacting other sources.

ASSIGNMENT OF RIGHTS TO OTHER BENEFITS FOR MEDICAL CARE

(Applicable only to AHCCCS Health Insurance and the Qualified Medicare Beneficiary Program)

I understand that if I am or members of my family are approved for AHCCCS benefits, AHCCCS can collect payment from any other parties who may be responsible for paying for our health care costs. This includes:

- Private or employer-sponsored health insurance (not including Medicare)
- Persons, such as an absent spouse or parent, who are legally responsible for providing medical support
- Private or employer-sponsored disability insurance
- Private or employer-sponsored accident insurance
- Insurance claims, jury awards, or legal settlements resulting from injuries

I understand that AHCCCS cannot collect more than the costs paid by AHCCCS. I also understand that I must give information about other responsible parties and take any action needed to receive medical support. This includes establishing paternity of my children, unless I can prove good cause not to do so.

You need to choose a health plan that serves your county.

- All AHCCCS health plans provide the same covered medical services.
